Beautiful Communion Service.

At a meeting of the vestry of St. George's Episcopal Church, of Fredericksburg, Virginia, held at the parish house on Tuesday, November 21, Junior Warden A. B. Botts, on behalf of John W. Herndon, of Alexandria, Virginia, presented to the church a complete service for the administration of holy communion, consisting of five pieces, viz: Chalice, paten, flagon, bread box and chalice spoon and also the fair linen cloths, which service was accompanied by a letter as follows:

"To the vestry of St. George's Church, Fredericksburg, Virginia.
"Gentlemen—To the church of my fathers, and the church in which my father and mother were married, and into which I was baptized, it gives me great pleasure to present herewith a complete service for the administration of the holy communion to the sick and to small congregations.
"This service consists of five pieces, viz: Chalice, paten, flagon, bread box and chalice spoon and two fair linen cloths.
"As the inscription indicates 'this service is dedicated to the service of God and in loving memory of Edward Herndon, Edward Herndon, Joseph Herndon, Dabney Herndon and Brodie Strachan Herndon, five successive generations of Vestrymen of St. George's church, Fredericksburg, Virginia, 1727-1866'.
"With the hope that God may bless the service to which it is put and that by His divine grace it may be of some comfort to the sick and the dying and to sin-sick souls, is the earnest prayer of
"JOHN W. HERNON."

Advent, 1905.
Thereupon on motion of Alvin T. Embrey the vestry of St. George's church accept the holy communion service, and on behalf of the church tender Mr. Herndon their grateful thanks for the beautiful service.
And an motion it was further resolved, That this resolution be inscribed on the minutes of the vestry, and a copy thereof be forwarded Mr. Herndon by the clerk of the vestry.
Mr. Herndon is a son of Dr. Dabney Herndon, both of whom formerly resided here.—[Fredericksburg Star.]

[Justice H. B. Caton presiding.]
The following cases were disposed of this morning:
John Neal, arrested by Officer Garvey charged with vagrancy, was dismissed.
A woman, arrested by Officer Nicholson charged with abusive language toward another woman, forfeited her collateral by failing to appear.

The following additional sums have been subscribed for the aid of the sufferers from the recent disturbances in Russia: Mrs. J. P. Stump, \$2; Swan Bros., \$5; C. W. Howell, \$1; Miss L. Altchison, \$1; E. E. Downham, \$2; W. A. Barnett, \$1; J. McWilliams, \$2; H. Wildt, \$2; cash, \$1; T. A. Groves, \$1; S. Blondheim, \$5; M. Morris, \$5; cash, \$1. The sum collected up to yesterday was forwarded today.

Annual Report.
The one hundred and twenty-fifth annual statement of the finances of the city of Alexandria, department reports of the fiscal year ending May 31, 1905, the revenue and license laws and the official directory for 1905-6 prepared by Auditor E. F. Price, has been published. The little volume contains material of interest to all citizens of Alexandria.

Improvements.
The First National Bank building, on the southwest corner of Prince and Lee streets, has been painted and other embellishments placed upon it. The vicinity of the bank has been greatly improved by the new vitrified brick roadway, and attempts are again being made to have the work continued on Lee street from Prince to King.

Runaway.
A horse attached to a milk wagon in charge of William Shepherd ran away on Gibbon street this morning. The vehicle was damaged and the horse seriously injured. The shafts of the wagon were broken and a piece was driven through the leg of the horse. It will probably be necessary to kill the animal.

Lamp Upset.
A serious fire was narrowly averted at the residence of Mr. Thomas Chumney, No. 808 Duke street, Tuesday night. A lamp was knocked over which started a fire in the room. By prompt action and presence of mind the flames were subdued and the damage which resulted was comparatively slight.

Sudden Death.
Charles B. Hudson, colored, about 65 years of age, fell on West street, near King, yesterday afternoon, and died soon after he had been removed to his home in the neighborhood. The deceased had been a sufferer from heart disease.

Revival Services.
The revival services which had been in progress in Trinity M. E. Church since the first of the month were closed last night. The meetings have been conducted by Rev. Mr. Jeffers, pastor of the church, and they have been of an interesting nature.

Old Depot Building.
Workmen are engaged in making certain alterations in the old depot building on the northeast corner of Cameron and Fayette streets. The structure will be used temporarily by the engineer corps of the Washington-Southern Railway.

Toes Amputated.
Benjamin Hughes, an employee of the Washington-Southern Railway Company, who was injured recently by a barrel rolling upon him, is still at the Alexandria Hospital. Yesterday some of his toes were amputated.

Personal.
Captain J. V. Davis, who for nearly a third of a century was superintendent of the National Cemetery at Alexandria, paid a flying visit to this city yesterday and was cordially greeted by many of his friends and acquaintances. The captain is now in charge of the Antietam National Cemetery.

Mr. Archibald H. Taylor has taken the house of Mrs. Lewis Hopkins, 1510 Park avenue, where his sister, Mrs. Frances D. Lee, of Virginia, and her daughter, Miss Constance Lee, will spend the winter with him.—[Baltimore American.]

Mr. Gardner L. Boothe has returned from Richmond where he went to act as usher at the wedding of Mr. Arthur J. Raspley and Miss Edna Louise Forbes, which took place there yesterday.

"Dora Thorne."
"Dora Thorne" is proving one of the most interesting and successful new plays of the present season. The book of "Dora Thorne" has a beautiful story of love written around a moral, which is as powerful as it is true. "The consequences of sin seldom end with its originators," is an old adage, but one which is ever new. This theme is brought out in the play of "Dora Thorne" as in the book, with a wonderfully original setting; tears and laughter follow in quick succession; sincere heart interest is manifested at every turn, interwoven with the most powerful of all themes—"love." In speaking of it one critic says: "Dora Thorne" is a literary composition so unstudied and so faultlessly arranged that its success is not dependent upon melodramatic climaxes and situations. It stands in contrast to the average melodrama like the inspiring freshness and coolness of an autumn morning compared with the sultry and tempestuous summer heat." "Dora Thorne" will appear at the Opera House tomorrow night.

Old Bank Building.
It is said that the Free Methodist congregation of this city is contemplating the purchase of the old Citizens' National Bank building, on the northwest corner of Prince and Lee streets, for church purposes. The building now used by the Free Methodists is situated on the east side of Lee street, between Wolfe and Wilkes, and was erected in 1880.

Death at the Hospital.
George Gallagher, a native of Pennsylvania, died at the Alexandria Hospital last night. The deceased was the engineer of a steam shovel now being operated at Franconia, on the Washington-Southern Railway. His remains will be forwarded by Demaine & Son to Pennsylvania for interment.

Tebbs's Condition.
The condition of Benjamin Tebbs, colored, who shot himself at his home, 818 Duke street, yesterday, and who was taken to the Alexandria Hospital, had improved today. His recovery is thought to be probable.

Mrs. Hooper's Letter.
Batesville, Ark., Nov. 20.
To the Editor of the Alexandria Gazette:
Dear Sir: I was taught to give honor where honor was due. Recently I was very agreeably surprised to receive a gift of \$5 from the Blue Ridge Chapter U. D. C., as it is the first chapter to respond to my kind friend's suggestion in the June Veteran. It touched me that Old Virginia's noble women should be the first camp. I have had eleven veterans to remember me but these are the first women. The old saying is when the women reach out their hands you are safe. My letters are now in Winchester, by request of Major J. Ogden Murray, who in his kindness of heart thought he might put them in booklet form and they might sell. I would certainly be proud for the world to see them, as I can safely say I am the only woman now living that can show such proof of love to our cause. Miss Millie Stewart had them, but I suppose they are all lost; forty years is a long time.

The Virginia Military Institute.
After earnest and careful deliberation, continuing through more than four hours, and concluding after 1 o'clock this morning, the board of visitors of the Virginia Military Institute unanimously rejected the paper submitted by the cadet third class, charged with insubordination, and, as final action disposing of the matter for all time, ordered that the extreme penalty of dismissal be enforced upon all who shall at the expiration of seven days have failed to comply with the regulations hereafter made.
In the course of the long discussion nearly every member of the board and several distinguished gentlemen invited to be present and participate in the action, spoke briefly or at length as he desired, urging his views as to the most advisable action or making suggestions tended to relieve the remarkable situation confronting the management of the institute. It was generally recognized that the future of the historic old school was at stake. Concessions were urged.
Governor Montague, Lieutenant Governor Willard, Judge Thomas N. Wilcox, of Norfolk, and others appeared and attempted to stem the tide arguing that the insurgent cadets were thoroughly penitent; that they were holding back simply because they could not in honor go farther than they have done, and that in fact they had in true military spirit, if not in express terms, submitted to the decision of their superiors and complied with the demands of the board.
Every consideration was given to the statements made by these gentlemen, but the argument was of no avail. Members of the board, one after the other arose and declared that to recede would be disastrous to the institute, and that if the future of the school would be preserved the board must stand firm in the position already taken and insist upon express compliance with its requirements. There was but one dissenting voice. Colonel F. L. Smith, of Alexandria, while casting his vote with the majority, expressed satisfaction with the paper which, he declared complied in substance with the demands of the board. The others, to a man, were opposed to any concessions.
Mr. Hamilton, surrendering the chair, made an earnest speech, in the course of which he pointed out the gravity of the situation and called for decisive action. A compromise, he said, would strike at the very foundation of the institute. Discipline must be maintained rigidly or the board might as well close the school. The sentiment prevailed. Only the fact that the intervention of Governor Montague created among the cadets the impression that through his great influence the paper submitted last night would be accepted, saved the class from summary dismissal. In view of this connection the board allowed time for further consideration.
The time is extended seven days from the date of the publication of the order which will occur on Friday. If at the expiration of this time the class or any portion of it has failed to withdraw and in substance express regret for its action, the penalty of dismissal will be enforced.—[Richmond Times Dispatch.]

Rowland vs. Rowland. Argued and continued until today.

Saved by Dynamite.
Sometimes, a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake night and day. Two physicians could not help her, so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific proof for bronchitis and La Grippe. At E. S. Leach & Sons' drug store, price 50c and \$1.00; guaranteed. Trial bottle free.

Americans to be Shot

In Chihuahua Tuesday evening Judge Rios sentenced C. T. Richardson, C. S. Harle and William Mason, Americans, to be shot. The men were accused of murdering two men in Chihuahua for life insurance money. Richardson was an insurance agent, Mason was his brother-in-law, and Harle was the examining physician. It was charged that they murdered a man named Devers, whom they decloyed from El Paso, and another man named Mitchell, who is said to be a half-brother of Mason. Richardson is from Rochester, N. Y., where he married Mason's sister. The case has been in the Mexican court three years. Harle formerly was an El Paso physician. In Rochester Mason was known as William Mitchell, and Richardson went by the name of Leslie E. Hulbert. They left there suddenly because of alleged crookedness in divorce cases which they handled. Mrs. Richardson (Miss Mitchell then) was a stenographer in Richardson's office before she was married to him.
